# ABOUT US

## Aluzoo - the context of the era in which it was created

The global e-commerce market reached about \$180 billion in 2021 and is expected to reach about \$290 billion by 2025, according to market researcher Statista. This indicates that the global e-commerce market is growing rapidly.

Asia: 21.8 million users

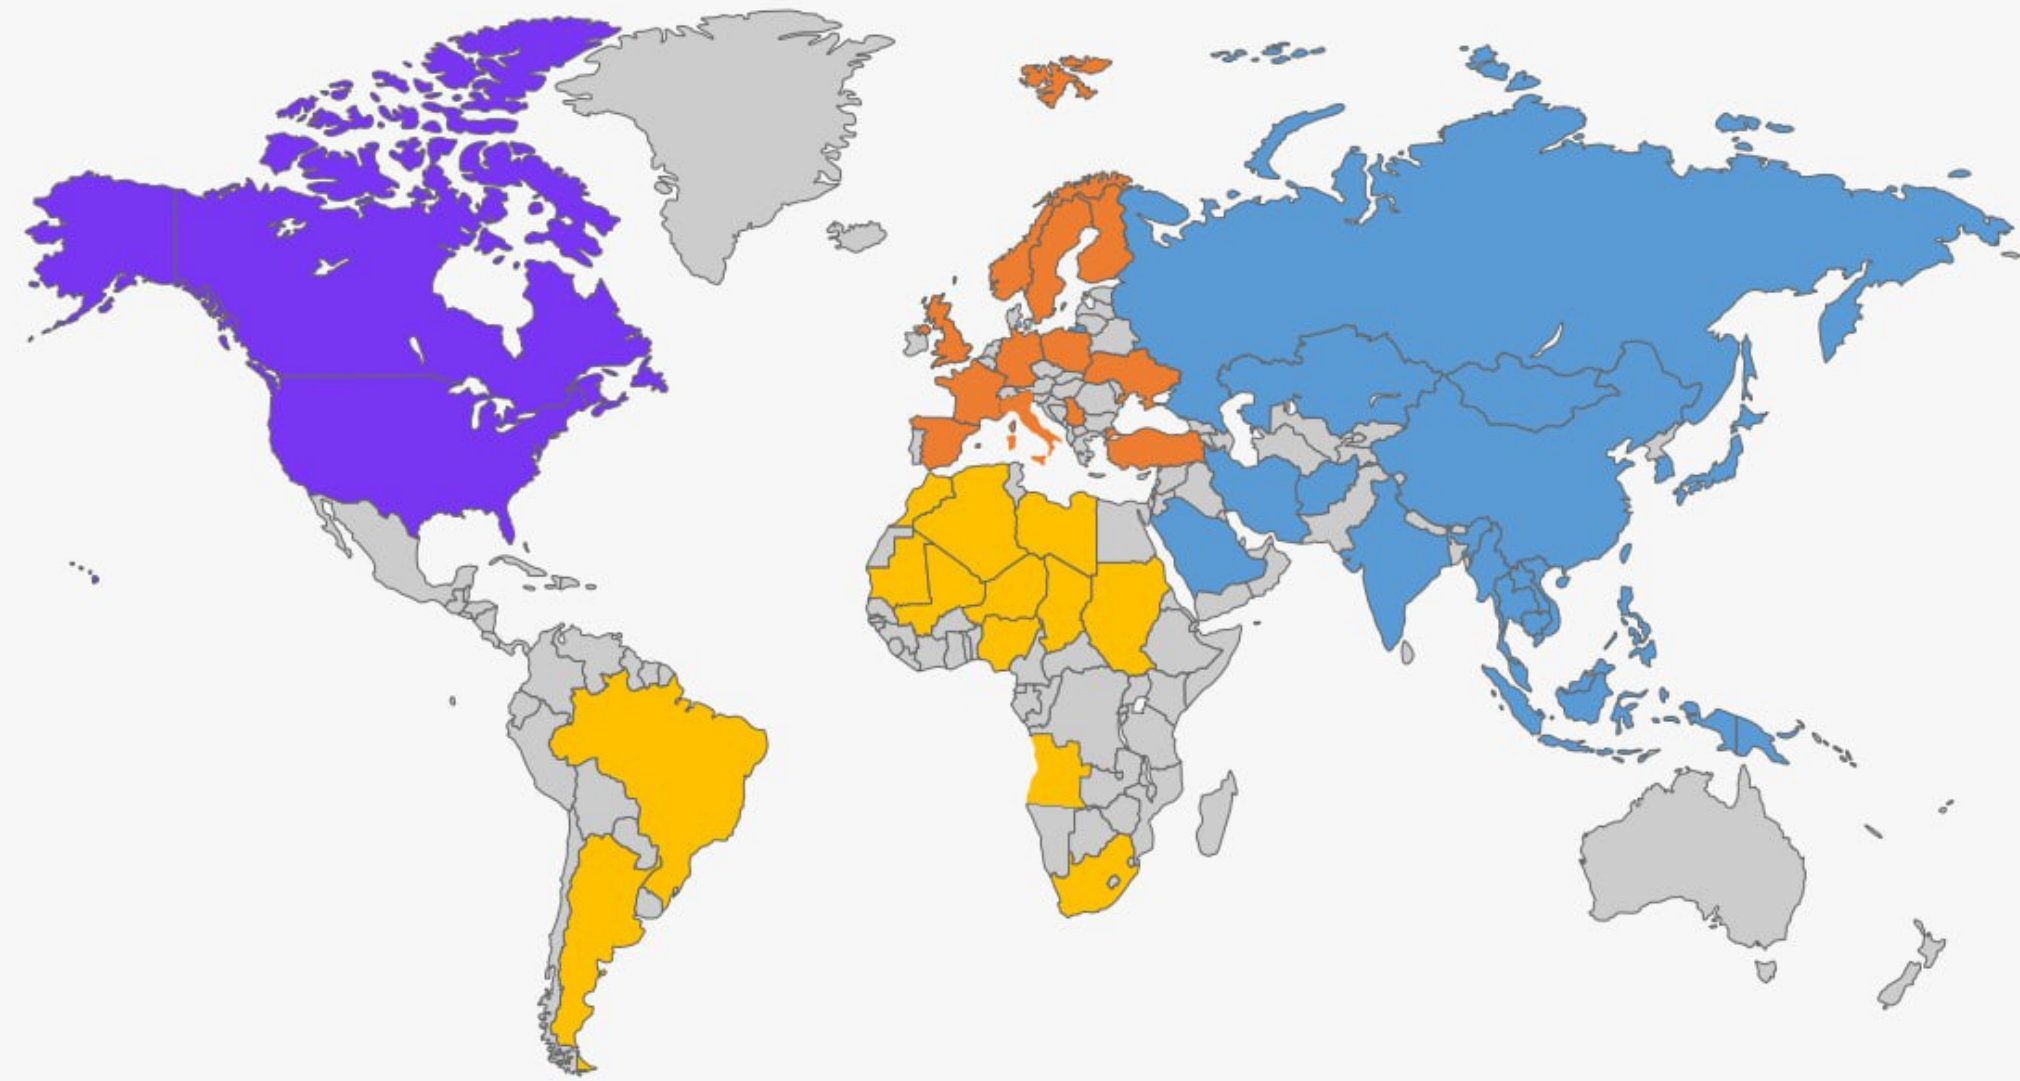

Europe: 11.9 million users

Americas: 15 million users

Africa: 1 million users

After researching data that showed a relative void in the e-commerce market back in 2017, Mr. Barrett, the project initiator and CEO of Aluzoo, spotted the opportunity and decided to put it into practice.

Aluzoo Inc. was founded in Washington, D.C., U.S.A. The official launch of the project took place in September 2017, with Business Identity No. 605 344 696. The company has 11 different divisions, a total of 600 high-tech talents, and 34 engineers who took 6 months to complete the project. Besides fun, we can bring you more.

# DEVELOPMENT HISTORY

2017

Barrett recognized the future of e-commerce at the time of its emergence and founded Aluzoo with the belief that e-commerce would change the way people shop.

2018-2019

Aluzoo gradually built up a base of users and merchants and aggressively expanded the range of orders on the platform, providing users with a wide range of order options and introducing an intelligent matching system to help users find the right order for them more easily. This innovation has increased user profitability and user satisfaction on the platform.

2020-2022

Aluzoo has experienced rapid growth, expanded into several countries, won several industry awards, and begun to implement more social responsibility programs and actively participate in charitable activities. In 2022 Aluzoo introduced more online training and resources to help users improve order fulfillment efficiency and skill levels. This further strengthens user revenue and the platform's competitiveness.

2023

We have reached a new high in this year. The company plans to introduce more innovative features, such as an intelligent recommendation system and optimized support options, to meet the needs of users. At the same time, Aluzoo will continue to strengthen its social responsibility and sustainable development, promote economic development in impoverished areas, and continue to lead the e-commerce sector.

# FUTURE PLANNING

## Increasing poverty employment across the board

Aluzoo's existence is not only commercial value, we also want to contribute to the global community and realize the real social value, through the product marketing model, in-depth exploration of the market potential of agents in poor areas. In the future, Aluzoo will open more than 200 city offices, striving to become a force in the incremental market, so that more people can earn a high income in an easy way!

### Agent Training Program

We have established 200 city offices and 800 city-level training centers in the country ball to enhance the agents' promotion ability through online + offline training, while taking into account the national market expansion. At that time, each outstanding agent will be given a 30-day free training opportunity, and we have also prepared a generous gift for the best 10 global agents.

### Business Support Program

The support program for agents introduces content marketing, IP promotion and sales, original content customization, short-video e-commerce, original advertising and marketing, and other commercialization means to share market dividends with agents.
